

**DO YOU KNOW**...the funds received from the purchase of Bricks and Pavers are earmarked for engraving costs for the approved names added to the Veterans' Memorial Monument.

These funds are also slated for the Memorial Day Ceremony wherein the Veteran Affairs Committee hosts a community event to honor the addition of names on the Veterans' Memorial Monument. The ceremony at the Igoe, Porter, Wellings Memorial Field on May 23 starts at 11:00 a.m. opens and closes with an honor guard. Recognition of the members in the audience representing their branch of the armed forces precedes the address by public officials (State Representative Katharine Watson and State Senator Stewart Greenleaf).
