The Township manager shall review all written requests for access to public records. As soon as possible, but no later than five business days after receiving a written request to access public records, the Township manager shall respond to all such requests in a matter consistent with Act 100 of the 2002, the Open Records Law.

#### Appeals Process

If a written request is denied or deemed denied, the requester may file exceptions with the Board of Supervisors within 15 business days of mailing date of the Township's denial. The exceptions shall state grounds on which the requester asserts that the record is a public record and shall address any grounds stated by the Township for denying the request.

The Board of Supervisors shall make a "final determination" on the exceptions within 30 days of the mailing date of the exceptions. The Board of Supervisors may hold a hearing on the issue during the 30 days. If the Board determines that the denial was correct, it may provide a written explanation to the requester.

The requester may appeal a final determination to the Common Pleas Court or District Justice within 30 days of denial or final determination.
