VA Survivors and Burial Benefits Kit

"To care for him who shall have borne the battle
and for his widow, and his orphan."
- Abraham Lincoln

VA

VA

U.S. Department of Veterans Affairs

The Department of Veterans Affairs (VA) offers this survivors and burial benefits kit as a source of pre-need planning information and record storage for Veterans and their families. This kit is intended to be used as a supplement to the [Summary of VA Dependents' and Survivors' Benefits](#) pamphlet¹.

Included you will find *Planning for the Future*, a section to guide you through possible end-of-life and survivors' benefits eligibility. This section will tell you what benefits are offered and when and how you should apply.

For your added benefit, we have provided space for you to add your own personal information that can be kept in one location for your use, and for the use of loved ones. These sections identify the location of important documents, account numbers, military discharge documents, and marital information.

We have provided samples of completed forms that may be needed in the application process. VA forms change periodically; current versions can be found online at www.va.gov/vaforms.

It is our sincere desire that the information and documents contained in this brochure assist you and your loved ones.

On behalf of a grateful nation, we respectfully thank all Veterans for their service.

Honor is not a word,
but a way of life.

Planning for the Future

VA has benefits designed to aid you and your family in preparing for the future. The documents in this packet will help guide you and your loved ones as you plan, and ensure your survivors know what benefits are available to them.

The following benefits are available to Veterans and their families:

Pre-Need Eligibility for National Cemetery Burial or Memorialization

VA provides for a final resting place for eligible Veterans, spouses, and their eligible dependents, as well as a headstone or marker, a flag to drape the casket and a Presidential Memorial Certificate.

Memorial or Burial Flags

A United States flag is provided, at no cost, to drape the casket or accompany the urn of a deceased Veteran who served honorably in the U. S. Armed Forces. U.S. Post Offices are the primary issuing point for burial flags. Each family of a decedent is entitled to one flag.

Government Headstones or Markers

VA can provide a single headstone, columbarium niche cover, or a flat marker for a Veteran's final resting place (private, state or national cemeteries).

Cemetery Medallions

VA can provide a medallion for use on a headstone or other memorial in a private cemetery to signify a decedent's status as Veteran. Multiple sizes are available.

Presidential Memorial Certificates

VA can provide a Presidential Memorial Certificate (PMC) to the family of the deceased Veteran. A PMC is an engraved paper certificate signed by the current President.

Burial Benefits and Burial Automatic Payments

Burial benefits are paid to a spouse, designated family member, or executor to partially offset the cost of burial expenses, plot costs, and transportation costs for a Veteran's remains. These benefits are paid at different rates based on whether the Veteran's death was service-connected or non-service connected.

If the Veteran was receiving VA benefits prior to passing and had a spouse of record, these benefits will usually be paid automatically to that spouse. However, additional funds may be paid, or payment made to another party, if an application is completed. Additional benefits, including a plot or interment allowance and transportation allowance, may also be payable.

An application for non-service-connected burial benefits must be submitted within two years from the date of death. There is no time limit for a service-connected death.

Dependency and Indemnity Compensation

Dependency and Indemnity Compensation (DIC) is a monthly tax-free benefit provided to an eligible surviving spouse, dependent child(ren), and/or parent(s) of a Servicemember who died while on active duty, active duty for training, inactive duty training, or to survivors of Veterans who died from a service-connected disability(ies).

DIC benefits paid to surviving spouses and children are not income based. Parents DIC is an income-based benefit for parents who were financially dependent on a Servicemember or Veteran who died from a service-related cause.

Dependents' Educational Assistance Program

The Dependents' Educational Assistance Program offers education and training opportunities to eligible dependents of Veterans who are permanently and totally disabled due to a service-related condition or of Servicemembers who died during active military service or Veterans who died as a result of a service-related condition.

Marine Gunnery Sergeant John David Fry Scholarship

Provides children with financial support for tuition and fees, books and supplies, and housing. You may be eligible for up to 36 months of Fry Scholarship benefits if you are the child of a Servicemember who died during active duty after September 10, 2001. You must use your benefits between your 18th and 33rd birthdays. You may still be eligible if you are married.

The 15-year time limitation for using Post-9/11 GI Bill benefits is eliminated for qualifying dependents (Fry children who became eligible on or after January 1, 2013 and all Fry spouses).

Survivors Pension

A tax-free monetary benefit payment to a low-income, un-remarried surviving spouse and/or eligible unmarried child(ren) of a deceased wartime Veteran, whose death is not service-related. Certain deductible expenses, such as an unreimbursed medical expense, may be used to reduce the survivor's countable income.

Special Monthly Pension Benefits

Certain survivors who are eligible for VA pension benefits and require the aid and attendance of another person, or are housebound, may be eligible for additional monetary payment. These benefits are in addition to monthly pension, and they are not paid without eligibility to Pension.

The Civilian Health and Medical Program of the Department of Veterans Affairs

A benefit that provides reimbursement for some medical expenses to certain surviving spouses or children of deceased Veterans, or spouses or children of Veterans with permanent and total service-connected disabilities who are not eligible for TRICARE.

Home Loans

VA can help eligible unmarried surviving spouses (or those remarried after reaching age 57) become homeowners. This benefit may be used to help you buy, build, refinance, repair, and retain, a home for your own personal occupancy. You must be in receipt of Dependency and Indemnity Compensation (DIC) and the surviving spouse of a Veteran who died: a) on active or select reserve service, b) from a service-connected cause, or c) was rated totally disabled for a certain period of time preceding death. Other surviving spouses, include: a) spouse of a Servicemember missing in action or a prisoner of war, and b) spouse of a certain totally disabled Veteran whose disability may not have been the cause of death. For more information visit the [home loan web page](#)² or call 1-877-827-3702.

Veterans Month of Death Benefits

If a Veteran who is receiving VA compensation or pension benefits passes away, their last month of benefits can be paid to their surviving spouse. This payment is usually automatic, but if it is not received, it can be claimed via a phone call to 1-800-827-1000, or through your Veterans Service Officer (VSO) or County Veterans Service Officer (CVSO).

For additional information regarding eligibility requirements see the [Summary of VA Dependents' and Survivors' Benefits](#)³.

VA Life Insurance

As part of our mission to serve Servicemembers, Veterans, and their families, VA provides valuable life insurance benefits to give you the peace of mind that comes with knowing your family is protected. VA's life insurance programs were developed to provide financial security for your family given the extraordinary risks involved in military service.

VA has several different insurance programs. To get the insurance benefits you've earned, explore your options, manage your policy, update your life insurance beneficiary designation(s), or file claims, visit www.benefits.va.gov/insurance.

What to Do, and When...

Preparing for the passing of a loved one, or even oneself, can be a difficult and confusing time. The following informs you of what you may need to do, and when, to ensure your survivors have the information and documents needed to obtain the benefits for which they may be entitled.

For the Veteran, when discussing your final wishes with your loved ones:

- Discuss your military service and any VA disability rating information with your family and if possible, locate copies of your military separation document(s), such as your DD214.
- Use VA-Form 21-686C to document you and your spouse's marital histories. This information may be needed if your spouse applies for VA benefits after your passing.
- Discuss your final wishes regarding your remains. If you wish to be buried in a national cemetery after your passing, consider applying now for pre-need burial eligibility.
- Be sure to complete and annually review your life insurance beneficiary designation(s), which will make it much easier to file a claim and receive benefits quickly.

For the Veteran's family, as the Veteran is approaching end of life:

- Speak to the Veteran's doctor about how to obtain copies of medical records before and after the Veteran's passing, in case they may be needed in the future.
- Discuss with the Veteran where and when they have received treatment for any medical conditions which you believe may have been incurred in, or exacerbated by, their military service.
- If you believe the Veteran may be entering into their period of final illness, begin keeping a record of any medical expenses related to that final illness.
- If the Veteran wishes to be interred in a national cemetery, locate their pre-need burial approval (if they applied), or clarify their wishes as to where they would like to be interred.

For the Veteran's parents, spouse, or dependent children, after the Veteran's passing:

- Consider if you wish to apply for VA Survivors Pension or DIC.
- If the Veteran had a VA Life Insurance policy, or other policy, prepare and submit a claim with required supporting documentation.
- If you have a medical condition, disease, or injury which necessitates the aid and attendance of another person in performing your activities of daily life, or are housebound, have your physician complete a statement outlining your medical condition.
- If you believe the Veteran's death was related to a condition incurred during military service, or exacerbated by military service, obtain copies of any private medical records from the Veteran's physician (VA hospital records and military medical records can be obtained by VA).

How to Apply for Benefits...

When applying for benefits there are basic forms that must be completed. This page lists the forms required to apply for various VA benefits, as well as what additional documents may be required to show eligibility. For Help With Your Benefits...

Applying for VA benefits, especially at the time of the passing of a loved one, can be difficult and confusing. However, several organizations exist to help you navigate this process, usually cost-free. Here are a few places you can go for help with the claims process:

County Veterans Service Officers

Most local governments in the United States have a designated County Veterans Service Office or Agency, staffed by County Veterans Service Officers (or “CVSOs”). These officers operate independent of VA, but receive VA training, and can act as liaisons between claimants and VA.

They are usually well versed in benefits eligibility requirements and claims processing and are available to help you locally. To find your local CVSO, you can use the directory found online at this URL:

www.ebenefits.va.gov/ebenefits/vso-search.

Veterans Service Organizations

Veterans Service Organizations (VSO) are private groups dedicated to providing Veterans and their families with various services, including assistance with claims processing. These groups can help you by representing you before VA and can assist you in completing your claim. While these groups are not formally connected to government or VA, they receive VA accreditation and training, and do not charge for their services. To find a VSO, you can use the directory found online at this URL:

www.ebenefits.va.gov/ebenefits/vso-search

U.S. National Archives and Records Administration (NARA)

Veterans and next of kin can obtain free copies of a DD-214 and other service records. Fax or mail Standard Form [SF 180](#) (Request Pertaining to Military Records), to the address indicated on the *back* of the form, or fill out [online](#)⁴. Or call NARA customer service staff at **314-801-0800** if you have questions or require same-day service (e.g. upcoming surgery or funeral).

Completing VA Forms

Applying for any VA benefit requires that you complete an application form, and possibly additional forms. To ensure speedy and accurate processing of any claim for VA benefits, it is very important to complete these forms correctly. The following are sample copies of some VA forms previously mentioned in this document; you can reference these samples to see what a properly completed form may look like.

Tips on Completing VA Forms:

- Complete **every item** on the form, even if your answer is “not applicable”, “none”, or “0”. Incomplete applications are one of the major avoidable causes of denials and delays in processing.
- The person claiming benefits (the “claimant”; for instance, the surviving spouse claiming death pension) **must sign the form themselves**. VA cannot recognize private power-of- attorney agreements, and family members cannot sign documents for other family members.
- VA Forms are periodically updated; the forms you will fill out when you apply for benefits may not be identical to the samples in this booklet. Current VA forms can be obtained at www.va.gov/vaforms/ or at your local Veterans service office.

**INFORMATION AND INSTRUCTIONS FOR COMPLETING THE
DEPENDENTS' APPLICATION FOR VA EDUCATION BENEFITS
(VA FORM 22-5490)**

Do **not** use this form to apply for Veterans' education assistance based on your own service (chapters 30, 32, 33, 1606, or 1607) or vocational rehabilitation benefits (chapter 31). To apply for veterans' education assistance based on your own service, use VA Form 22-1990. To apply for vocational rehabilitation benefits, use VA Form 28-1900. VA forms are available at www.va.gov/vaforms.

INTERNET VERSION AVAILABLE - You may complete and submit this application on-line at www.benefits.va.gov/gibill. Click on "GI Bill: Apply for Benefits."

NOTE: The numbers on these Information and Instructions pages match the item numbers on this application. Items not mentioned are self-explanatory.

ITEM 8. The Department of Treasury requires all Federal benefit payments be made by electronic funds transfer (EFT), also called direct deposit. Please attach a voided personal check or deposit slip or provide the information requested below to enroll in direct deposit. If you do not have a bank account, you must receive your payment through Direct Express Debit MasterCard. To request a Direct Express Debit MasterCard, you must apply at www.usdirectexpress.com or by telephone at 1-800-333-1795. If you elect not to enroll, you must contact representatives handling waiver requests for the Department of Treasury at 1-888-224-2950. They will address any questions or concerns you may have and encourage your participation in EFT.

ITEM 16. You will not be eligible to receive benefits for any period for which you or the qualifying individual on whose account you are claiming benefits has an outstanding felony warrant. Any benefits paid to you for such period will result in an overpayment and be subject to collection.

ITEM 17. If you are certifying that you are married for the purpose of VA benefits, your marriage must be recognized by the place where you and/or your spouse resided at the time of marriage or where you and/or your spouse resided when you filed your claim (or a later date when you became eligible for benefits) (38 U.S.C. § 103(3)). Additional guidance on when VA recognizes marriages is available at <http://www.va.gov/opa/marriage/>.

ITEM 20. IMPORTANT - PLEASE READ THE INFORMATION BELOW BEFORE MAKING YOUR SELECTION IN ITEM 20A OR 20B REGARDING THE BENEFIT YOU ARE APPLYING FOR.

- To qualify for the Post-9/11 GI Bill Marine Gunnery Sergeant John David Fry Scholarship, you must be the surviving spouse of an individual who died in the line of duty while serving on active duty as a member of the Armed Forces after September 10, 2001.
- To qualify for Survivor's and Dependents' Educational Assistance (DEA) you must be either:
 - (1) The spouse of a veteran who is permanently and totally disabled as a result of a service-connected disability, **OR**
 - (2) The spouse of an individual on active duty who has been listed as missing in action, captured in the line of duty by hostile force, forcibly detained or interned in the line of duty by hostile force, or forcibly detained or interned in the line of duty by a foreign government or power for more than 90 days, **OR**
 - (3) The surviving spouse or child of a veteran who died of a service-connected disability or who dies while a service-connected disability was rated permanent and total in nature, **OR**
 - (4) The surviving spouse of an individual on active duty for which the evidence shows that the individual is hospitalized for receiving outpatient medical care services or treatment; has a total disability permanent in nature incurred or aggravated in the line of duty in the active military, naval, or air service; and the service person is likely to be discharged or released from such service for such disability.

NOTE: If you are eligible for both Chapter 35 Survivors' and Dependents' Educational Assistance Program (DEA) and Chapter 33 Post-9/11 GI Bill Marine Gunnery Sergeant John David Fry Scholarship (Fry Scholarship) benefits, you must relinquish/give up entitlement to one or the other benefit for which you are eligible, **even if entitlement arises from separate events**. In other words, you must forfeit eligibility to the other benefit even if your eligibility is due to:

- A separate Period of Service (POS) other than the one for which the death of the spouse is associated; **OR**
- A separate POS other than the one for which your spouse has a total disability permanent in nature resulting from a service-connected disability; **OR**
- A separate POS based on any other criteria as listed in 38 U.S.C. § 3501(a)(1); **OR**
- Death of any other individual identified in Item 10 of this application.

IMPORTANT: You cannot retain eligibility for both programs simultaneously. Therefore, by checking either box "A" or box "B" in Item 20, you agree and understand that you are making an **irrevocable** election to receive the selected benefit and your election may not be changed.

IMPORTANT: Eligibility for (DEA) will be terminated in the event that VA determines that the individual on whose account benefits are claimed is no longer totally disabled or VA is notified that the individual is no longer listed as captured, missing in action, or forcibly detained.

Note: Before making your election selection, you can compare the differences between (DEA) and (FRY), and the benefits each provide in order to help you make the best choice that suits your needs. This benefit comparison information can be found on the VA website at: https://www.benefits.va.gov/gibill/docs/factsheets/fry_scholarship.pdf. You can also find additional information about each program by visiting the GI Bill website at: <https://benefits.va.gov/gibill/> and using the comparison tool.

INFORMATION AND INSTRUCTIONS (Continued)

ITEM 21. IMPORTANT - PLEASE READ THE INFORMATION BELOW BEFORE MAKING YOUR SELECTION IN ITEM 21A OR 21B REGARDING THE BENEFIT YOU ARE APPLYING FOR.

- To qualify for the Post-9/11 GI Bill Marine Gunnery Sergeant John David Fry Scholarship, you must be the dependent child of an individual who died in the line of duty while serving on active duty as a member of the Armed Forces after September 10, 2001.
- To qualify for Survivor's and Dependents' Educational Assistance (DEA) you must be either:
 - (1) The child of a veteran who is permanently and totally disabled as a result of a service-connected disability; **OR**
 - (2) The child of an individual on active duty who has been listed as missing in action, captured in the line of duty by hostile force, forcibly detained or interned in the line of duty by hostile force, or forcibly detained or interned in the line of duty by a foreign government or power for more than 90 days; **OR**
 - (3) The child of a veteran who died of a service-connected disability or who dies while a service-connected disability was rated permanent and total in nature; **OR**
 - (4) The child of an individual on active duty for which the evidence shows that the individual is hospitalized for receiving outpatient medical care services or treatment; has a total disability permanent in nature incurred or aggravated in the line of duty in the active military, naval, or air service; and the service person is likely to be discharged or released from such service for such disability.

PARENT'S DEATH PRIOR TO AUGUST 1, 2011 -

- The election you choose in Item 21 **does not** eliminate your eligibility for the alternate education benefit (either Survivor's and Dependents' Educational Assistance (DEA) and the Chapter 33 Post-9/11 GI Bill Marine Gunnery Sergeant John David Fry Scholarship (Fry Scholarship)) based on the same event (i.e., your parent's line of duty death that occurred prior to August 1, 2011).

PARENT'S DEATH ON OR AFTER AUGUST 1, 2011 -

- The election you choose in Item 21 **does** eliminate your eligibility for the alternate education benefit (either Survivor's and Dependents' Educational Assistance Program (DEA) and the Chapter 33 Post-9/11 GI Bill Marine Sergeant John David Fry Scholarship (Fry Scholarship)), based on the same event (i.e., your parent's line of duty death that occurred on or after August 1, 2011). Therefore, you must relinquish/give up eligibility entitlement to the benefit that you are **not** applying for **but only with regard to the entitlement arising from the same event** (i.e., your parent's line of duty death that occurred on or after August 1, 2011). By checking either box "A" or box "B" in Item 21, you agree and understand that you are making an **irrevocable** election to receive the selected benefit and your election may not be changed.

IMPORTANT: Unlike spouses, children may be able to retain eligibility for both programs simultaneously if they qualify under different events and individuals (i.e., a separate parent's line of duty death that occurred on or after August 1, 2011).

IMPORTANT: Eligibility for (DEA) will be terminated in the event that VA determines that the individual on whose account benefits are claimed is no longer totally disabled or VA is notified that the individual is no longer listed as captured, missing in action, or forcibly detained.

NOTE: Before making your election selection, you can compare the differences between (DEA) and (FRY), and the benefits each provide in order to help you make the best choice that suits your needs. This benefit comparison information can be found on the VA website at: https://www.benefits.va.gov/gibill/docs/factsheets/fry_scholarship.pdf. You can also find additional information about each program by visiting the GI Bill website at <https://benefits.va.gov/gibill/>, and using the comparison tool.

ITEM 22. Your election to receive Survivor's and Dependents' Education Assistance (DEA) or Chapter 33 Post-9/11 GI Bill Marine Gunnery Sergeant John David Fry Scholarship (Fry Scholarship) in lieu of payments of compensation, pension, and Dependents' Indemnity Compensation (DIC) is final and cannot be changed. This means that if you are 18 years old, payments of compensation, pension, and Dependents' Indemnity Compensation (DIC) will be terminated upon issuance of a DEA or Fry Scholarship benefit payment. If you are under the age of 18, these benefits will be terminated on your 18th birthday. If you are planning to pursue a program of education for more than 36 months, you should consider deferring receipt of DEA or Fry Scholarship benefits. We strongly recommend that you discuss your education or training plans with a VA counselor before making a decision.

ITEM 23B. Types of education or training programs are self-explanatory, except for the following:

"Licensing or Certification Test" - A "licensing test" is a test offered by a state, local, or federal agency that is required by law to practice an occupation. A "certification test" is a test designed to provide affirmation of an individual's qualifications in a specific occupation.

"National Admission Exams or National Exams for Credit" - You may be reimbursed for the cost of approved tests for admission to or credit at institutions of higher learning.

"Correspondence Course" - You may receive benefits for correspondence training. Payments for correspondence courses are made quarterly after VA receives a certification showing the number of lessons completed. For more information on correspondence courses, you can go to the VA website at: https://www.benefits.va.gov/gibill/correspondence_training.asp.

"Flight Training" - You must already have a private pilot's license. If you are taking an Airline Transport Pilot course, you must have a valid first-class medical certificate on the date that you enter training. For all other flight courses, you must have a valid second-class medical certificate on the date that you enter training.

ITEMS 23C AND 23D - Any individual eligible under the Survivor's and Dependents' Educational Assistance program may receive Special Restorative Training or Specialized Vocational Training if a VA counselor determines that a specialized program is needed to overcome the effects of a physical or mental handicap. To be eligible for receipt of specialized training, the disability must prevent you from pursuing an educational program. Examples of Special Restorative Training include speech and voice correction, language retraining, lip reading, and Braille reading and writing. Specialized Vocational Training consists of specialized courses leading to a suitable vocational objective.

However, you may elect to "opt-out" of these disclosures and have VA withhold this information instead.

Application for CHAMPVA Benefits – Important Notes and Definitions

CHAMPVA Eligibility Criteria

The following persons are eligible for CHAMPVA benefits, **providing they are NOT eligible for DoD's TRICARE benefits:**

- ***the spouse or child of a veteran who has been rated by a VA regional office as having a permanent and total service-connected condition/disability;***
- ***the surviving spouse or child of a veteran who died as a result of a VA-rated service-connected condition; or who, at the time of death, was rated permanently and totally disabled from a service-connected condition; and***
- ***the surviving spouse or child of a person who died in the line of duty and not due to misconduct.***

Medicare Impact. If you are eligible or become eligible for Medicare Part A and you are under age 65, you MUST have Part B to be covered by CHAMPVA. Effective October 1, 2001, CHAMPVA benefits were extended to beneficiaries age 65 or older. If you are eligible for Medicare Part A and you are age 65 or older, you are required to have Part B to be covered by CHAMPVA if your 65th birthday was on or after June 5, 2001, or if you were already enrolled in Part B prior to June 5, 2001.

Eligibility Definitions

Service-connected condition/disability – Refers to a VA determination that a veteran's illness or injury was incurred or aggravated while on active duty in military service and resulted in some degree of disability.

Sponsor – Refers to the veteran upon whom CHAMPVA eligibility for the applicant is based.

Spouse – Refers to a person who is married to or is a widow(er) of an eligible CHAMPVA sponsor. If you are certifying that a person is your spouse for the purpose of VA benefits, your marriage must be recognized by the place where you and/or your spouse resided at the time of marriage, or where you and/or your spouse reside when you file your claim (or at a later date when you become eligible for benefits) (38 U.S.C. 103(c)). Additional guidance on when VA recognizes marriages is available at <http://www.va.gov/opa/marriage/>. If the spouse remarries prior to age 55, CHAMPVA benefits end on the date of the remarriage. Effective February 4, 2003, if the spouse remarries on or after age 55, CHAMPVA benefits continue. Additionally, in some instances, a remarried surviving spouse whose remarriage is either terminated by death, divorce or annulment is CHAMPVA eligible when supported by a copy of the appropriate documentation (death certificate/divorce decree/annulment certification).

Child – Includes legitimate, adopted, illegitimate, and stepchildren. To be eligible, the child must be unmarried and: 1) under the age of 18; or 2) who, before reaching age 18, became permanently incapable of self-support as rated by a VA regional office; or 3) who, after reaching age 18 and continuing up to age 23, is enrolled in a full-time course of instruction at an approved educational institution---school certification required (see below).

NOTE: Except for stepchildren, the eligibility of children is not affected by divorce or remarriage of the spouse or surviving spouse.

School Certification

In order to extend CHAMPVA benefits to students age 18 to 23, school certification of full-time enrollment must be submitted by the college, vocational or high school, etc. Student status for CHAMPVA purposes is established up to a full school term based on the initial enrollment letter from the accredited education institution, that is, four years (4) for traditional schooling programs, two years (2) for technical schooling programs. School certification for each term or a full year is required for recertification of full time attendance until graduation or age 23. For high schools, this period is the normal beginning and ending school year.

School certification letters should be on school letterhead and include:

- Student's full name
- Student's Social Security number (SSN)
- Exact beginning date and projected graduation date
- Number of semester hours or equivalent (high schools excluded)
- Certification of full-time status

School generated forms are acceptable as long as they provide the above information. While certifications submitted in a foreign language are acceptable, additional time will be required for translation. Certifications may be submitted by mail to the address on the front or by FAX to 1-303-331-7809.

NOTE: It is important to notify the Chief Business Office Purchased Care of any change in student status such as withdrawal or change from full-time to part-time status. School vacation periods, holidays, and summer breaks (providing the student attends school on a full-time basis both before and after the summer break) are not considered an interruption in full-time attendance and will not create a break in CHAMPVA eligibility.

INSTRUCTIONS FOR COMPLETING VA FORM 40-10007 APPLICATION FOR PRE-NEED DETERMINATION OF ELIGIBILITY FOR BURIAL IN A VA NATIONAL CEMETERY

For more complete information on eligibility requirements for burial in a VA national cemetery, visit the National Cemetery Administration online at http://www.cem.va.gov/cem/burial_benefits/eligible.asp or call the National Cemetery Scheduling Office at 1-800-535-1117. For the purposes of this form, the term burial includes inurnment (above ground remains placement in a columbarium) and scattering of ashes, (if the cemetery chosen offers those options). **A Pre-Need determination of eligibility does not guarantee burial in a specific VA national cemetery. Burial in a specific VA national cemetery will be scheduled at the Time of Need.** In order to assist in completing this form, specific instructions and explanations for certain items are given below.

SECTION I: VETERAN/SERVICEMEMBER

Eligibility for burial in a VA national cemetery is based on the qualifying service of a Veteran/Servicemember. This section of the form is used to determine if qualifying service exists. Not all items are mandatory, however, answers to questions will aid VA in searching for records in archives to support the claim.

- | | |
|----------------|---|
| Item 13 | Military status used to apply for eligibility determination: For VA benefit purposes, a Veteran is a person who served in the active military, naval, or air service, and who was discharged under conditions other than dishonorable. VA will determine on a case-by-case basis whether certain Reserve duty qualifies. If eligibility derives from a status not listed, or if the individual is not certain of the status, check "Other" and submit evidence of service and VA will provide appropriate assistance. Servicemembers who die on active duty are eligible for burial. If you are arranging burial for an active duty Servicemember or his or her dependents, you should contact a local funeral home or the National Cemetery Scheduling Office at 1-800-535-1117 to expedite processing. |
| Item 17 | Discharge - Character of Service: Please indicate one type of "Discharge - Character of Service": Honorable; General; Entry Level Separation/Uncharacterized; Other Than Honorable; Bad Conduct; or Dishonorable. If uncertain of the type of discharge or character of service, indicate "Other" and include available supporting documents. |
| Item 22 | Supporting military service documents: VA recommends that you attach photocopies of readily available supporting documents so that we can make the determination quickly. Documents may include the most recent discharge document (DD Form 214) showing the highest rank and valor awards and decorations, active duty service records other than for training purposes, or active duty for a minimum of 24 continuous months for enlisted Servicemembers after September 7, 1980; for officers, after October 16, 1981, or the full period for which the person was called to active duty. If you are unable to locate copies of military records, apply anyway, as VA will attempt to obtain records necessary to make a determination. |

SECTION II: CLAIMANT INFORMATION

- | | |
|------------------------|--|
| Item 23 | <p>Each Claimant requires a separate VA Form 40-10007.</p> <p>23b. Spouse means a person who is or was legally married to a Veteran. Surviving Spouse mean a person who was legally married to a Veteran at the time of the Veteran's death and includes a surviving spouse who had a subsequent remarriage. A non-Veteran spouse of a Veteran whose marriage to the Veteran was dissolved by divorce or annulment issued by an authoritative court is not eligible for burial in a VA national cemetery.</p> <p>23c. An unmarried adult child of the Veteran is an individual who became permanently physically or mentally disabled and incapable of self-support before reaching 21 years of age, <i>or</i> before reaching 23 years of age if pursuing a full-time course of instruction at an approved educational institution. If you are making a claim for an unmarried adult child, please provide supporting documentation such as recent medical documentation pertaining to the disability, date of onset of the disability, and the age of the child when diagnosed with this disability. VA recommends that you provide photocopies. <i>Note: Minor children of eligible Veterans are eligible for burial in a VA national cemetery. The minor child of an eligible Veteran is a child who is unmarried and who is under 21 years of age; or who is under 23 years of age and is pursuing a full-time course of instruction at an approved educational institution.</i></p> <p>23d. Please explain your Claimant status or relationship to the Veteran/Servicemember.</p> |
| Items 29 and 30 | A list of VA national cemeteries is available online at http://www.cem.va.gov/cem/cems/allnational.asp A favorable Pre-Need determination of eligibility does not guarantee burial in a specific national cemetery. Burial in a specific VA national cemetery will be scheduled at the time of need. If you provide an email address, VA may use your email address to communicate with you about your claim and burial benefits. |

SECTION III: CERTIFICATION AND SIGNATURE

- (2) **SERVICE-CONNECTED BURIAL ALLOWANCE** - A one-time payment for a veteran who was rated totally disabled for a service-connected disability or disabilities; excluding individual unemployability, or who died of a service-connected disability.
- (3) **VA MEDICAL CENTER DEATH BURIAL ALLOWANCE** - A one-time payment for a veteran whose death was not service-connected and who died while hospitalized by VA.

b. **BURIAL ALLOWANCE** - A one-time benefit payment payable toward the expenses of the funeral and burial of the veteran's remains. Burial includes all legal methods of disposing of the veteran's remains including, but not limited to, cremation, burial at sea, and medical school donation.

- (1) Expenses incurred for the plot or interment if burial was not in a national cemetery or other cemetery under the jurisdiction of the United States; OR

"Plot" means the final disposition site of the remains, whether it is a grave, mausoleum vault, columbarium niche, or similar place.
"Interment" means the burial of casketed remains in the ground or the placement of cremated remains into a columbarium niche.

d. **TRANSPORTATION EXPENSES** - The cost of transporting the body to the place of burial may be paid in addition to the burial allowance when:

- (3) The veteran's children, regardless of age; OR
- (4) The veteran's parents or the surviving parent; OR
- (5) The executor or administrator of the deceased veteran's estate, or person acting for the deceased veteran's estate.

*For purposes of this application, legal union means a formal relationship between the veteran and the survivor that existed on the date of the veteran's death, was recognized under the law of the State in which the couple formalized the relationship, and was evidenced by the State's issuance of documentation memorializing the relationship.

If the veterans remains are unclaimed, VA will pay the person or entity that provided burial services for the remains of an unclaimed veteran.

3. TIME LIMIT FOR FILING A CLAIM - A claim for non-service-connected burial allowance must be filed with VA within 2 years after the date of the veteran's permanent burial or cremation. If a veteran's discharge was corrected after death to "Under Conditions Other Than Dishonorable," the claim must be filed within 2 years after the date of correction. There is no time limit for the service-connected burial allowance, plot or interment allowance, VA hospitalization death burial allowance, or reimbursement of transportation expenses.

EVIDENCE TABLES

Survivors Pension

To support your claim for **Survivors Pension**, the evidence must show:

- The veteran met certain minimum active service requirements during a period of war.
Generally, those requirements are:

- 90 days of consecutive service, at least one day of which was during a period of war; **OR**
- 90 days of combined service during at least one period of war;

(Note : If the veteran's service began after September 7, 1980, additional length-of-service requirements may apply, typically requiring two years of continuous service or completion of active-duty obligations.)

OR any length of active service during a period of war when:

- At the time of death, the veteran was receiving (or entitled to receive) VA disability compensation or retirement pay for a service-connected disability; **OR**
- The veteran was discharged from active service due to a service-connected disability.

- Your income and assets do not exceed certain requirements.

Assets means the fair market value of all property that an individual owns, including all real and personal property (excluding the value of the primary residence including the residential lot area, not to exceed 2 acres) less the amount of mortgages or other encumbrances specific to the mortgaged or encumbered property). Personal property means the value of personal effects that are in excess of being suitable and consistent with a reasonable mode of life.

Dependency and Indemnity Compensation (DIC)

To support a claim for **Dependency and Indemnity Compensation (DIC) based on a service-connected disability**:

- The veteran died while on active service; **OR**
- The veteran had a service-connected disability(ies) that was either the principal or contributory cause of the veteran's death; **OR**
- The veteran died from non service-connected injury or disease **AND** was receiving, or entitled to receive VA compensation for a service-connected disability rated totally disabling:
 - For at least 10 years immediately before death; **OR**
 - For at least 5 years after the veteran's release from active duty preceding death; **OR**
 - For at least 1 year before death, if the veteran was a former prisoner of war who died after September 30, 1999.

To support a claim for **DIC based on a disability that was not service-connected** or for which the veteran did not file a claim during his or her lifetime, the evidence must show:

- An injury or disease that was incurred or aggravated during active service, or an event in service that caused an injury or disease; **AND**
- A physical or mental disability that was either the principle or contributory cause of death. This may be shown by medical evidence or by lay evidence of persistent and recurrent symptoms of disability that were visible or observable; **AND**
- A relationship between the disability associated with the cause of death and an injury, disease, or event in service. This may be shown by medical records or medical opinion or, in certain cases, by lay evidence.

EVIDENCE TABLES (Continued)

Dependency and Indemnity Compensation (DIC) (Continued)

To support your claim for **DIC based upon the service person's active duty for training**, the evidence must show:

- The service person was disabled during *active* duty for training due to a disease or injury incurred in the line of duty, and the disease or injury caused or contributed to the service person's death.

If VA granted service connection for a disease or injury during the service person's lifetime, evidence that the service-connected disease or injury caused or contributed to the service person's death may satisfy this requirement.

To support a claim for DIC based on a disability that was not service-connected or for which the service person did not file a claim during his or her lifetime, the evidence must show:

- The service person was disabled during *active* duty for training due to a disease or injury incurred in the line of duty; **AND**
- A physical or mental disability that was either the principle or contributory cause of death. This may be shown by medical evidence or by lay evidence of persistent and recurrent symptoms of disability that were visible or observable; **AND**
- A relationship between the principal or contributory cause of death and the disability due to injury or disease, incurred in the line of duty. This may be shown by medical records or medical opinions or, in certain cases, by lay evidence.

To support your claim for **DIC based upon the service person's inactive duty training**, the evidence must show:

- The service person died during *inactive* duty training due to an injury incurred or aggravated in the line of duty, or acute myocardial infarction, cardiac arrest, or cerebrovascular accident during such training; **OR**
- The service person was disabled during *inactive* duty training due to an injury incurred or aggravated in the line of duty, or acute myocardial infarction, cardiac arrest, or cerebrovascular accident that occurred during such training; and that injury, acute myocardial infarction, cardiac arrest, or cerebrovascular accident caused or contributed to the service person's death

If VA granted service connection for an injury, acute myocardial infarction, or cerebrovascular accident during the service person's lifetime, evidence that the service-connected condition caused or contributed to the service person's death may satisfy this requirement.

To support a claim for DIC based on a disability that was not service-connected or for which the service person did not file a claim during his or her lifetime, the evidence must show:

- The service person was disabled during *inactive* duty training due to an injury incurred or aggravated in the line of duty, or acute myocardial infarction, cardiac arrest, or cerebrovascular accident that occurred during such training; **AND**
- The injury, acute myocardial infarction, cardiac arrest, or cerebrovascular accident caused or contributed to the service person's death

DIC under 38 U.S.C. 1151:

In order to support your claim for **DIC under 38 U.S.C. 1151**, the evidence must show:

- The deceased veteran died as a result of undergoing VA hospitalization, medical or surgical treatment, examination, or training; **AND**
- The death was:
 - the direct result of VA fault such as carelessness, negligence, lack of proper skill, or error in judgment; **OR**
 - the direct result of an event that was not a reasonably expected result or complication of the VA care or treatment; **OR**
 - the direct result of participation in a VA Vocational Rehabilitation and Employment or compensated work therapy program

Reopened DIC:

In order to reopen a claim previously denied by VA, we need new and material evidence. New and material evidence must raise a reasonable possibility of substantiating your claim. The evidence cannot simply be repetitive or cumulative of the evidence we had when we previously decided your claim. VA will make reasonable efforts to help you obtain currently existing evidence. However, we cannot provide a medical examination or obtain a medical opinion until your claim is successfully reopened.

- To qualify as new, the evidence must currently exist and be submitted to VA for the first time
- In order to be considered material, the additional existing evidence must pertain to the reason your claim was previously denied

EVIDENCE TABLES (Continued)

Increased Survivor Benefits Based on Special Monthly Pension

In order to support your claim for **increased survivor benefits based on the need for aid and attendance**, the evidence must show:

- you have corrected vision of 5/200 or less in both eyes; **OR**
- you have concentric contraction of the visual field to 5 degrees; **OR**
- you are a patient in a nursing home due to mental or physical incapacity; **OR**
- you require the aid of another person to perform personal functions required in everyday living, such as bathing, feeding, dressing yourself, attending to the wants of nature, adjusting prosthetic devices, or protecting yourself from the hazards of your daily environment (38 Code of Federal Regulations 3.352(a)); **OR**
- you are bedridden, in that your disability or disabilities requires that you remain in bed apart from any prescribed course of convalescence or treatment (38 Code of Federal Regulations 3.352(a)); **OR**

In order to support your claim for **increased benefits based on being housebound**, the evidence must show:

- you are substantially confined to your immediate premises because of permanent disability

Accrued Benefits:

To support a claim for **accrued benefits**, the evidence must show:

- Benefits were due the veteran based on existing ratings, decisions, or evidence in VA's possession at the time of death, but the benefits were not paid before the veteran's death; **AND**
- You are the surviving spouse, child, or dependent parent of the deceased veteran

VA pays accrued benefits in the following order of priority:

1. Spouse
2. Children of the veteran (in equal shares)
3. Dependent parents (in equal shares)

Child Incapable of Self-Support:

To support a claim for **benefits based on a veteran's child being incapable of self-support**, the evidence must show that the child, before his or her 18th birthday, became permanently incapable of self-support due to a mental or physical disability.

IMPORTANT

If you are certifying that you are married for the purpose of VA benefits, your marriage must be recognized by the place where you and/or your spouse resided at the time of marriage, or where you and/or your spouse resided when you filed your claim (or a later date when you became eligible for benefits) (38 U.S.C. § 103(c)). Additional guidance on when VA recognizes marriages is available at <http://www.va.gov/opa/marriage/>.

HOW VA DETERMINES THE EFFECTIVE DATE

If we grant a claim for Survivors benefits, the beginning date of your entitlement will generally be the date we received your claim. However, if VA receives your claim within one year after the date of the veteran's death, entitlement will be from the first day of the month in which the veteran died.

The veteran's death certificate is evidence relevant to determining the effective date of any benefits we award.

Special monthly pension may be available for a veteran's surviving spouse and/or parents who are unable to perform certain activities of daily living, are a patient in a nursing home, or are substantially confined to their immediate premises. Special monthly pension may be effective from the date medical evidence first shows entitlement.

The information and instructions on this page are provided to help you complete the Beneficiary Designation on the reverse side of this form.

1. You have the right to change the beneficiary(ies) at any time without the knowledge or consent of the prior beneficiary(ies). A state court order or divorce decree cannot restrict this right and is not binding on you.
2. You may name as beneficiary(ies) any person, firm, corporation or other legal entity including your estate.
3. This designation will cancel and replace all previous designations for all of your policies. Any policies you wish to be excluded from this designation must be listed in Item 5, "Remarks" on the designation form.
4. When inserting a beneficiary's name, please provide the first name, middle initial, and last name. For example, use John J. Smith. For married persons, use Mary K. Smith, not Mrs. John J. Smith.
5. **DO NOT DELAY SENDING THIS DESIGNATION** if you do not have a beneficiary's social security number handy. Your designation is still valid even if you do not know the social security number, so send this designation right away. Having the beneficiary's social security number will help us locate the beneficiary.
6. If you name more than one principal or contingent beneficiary, please show the share, in fractions such as 1/2 or 1/3, etc. which each is to receive and make certain that the shares total "1". Equal shares will be paid unless you designate otherwise.
7. The "LUMP SUM" preprinted in the "option for each" block means that the beneficiary(ies) may choose to receive the insurance in one lump sum or in monthly payments. For information on monthly payment options call our toll-free number below.
8. The preprinted phrase "or to survivor(s)" means that the share of a beneficiary(ies) who dies before you will be paid to the surviving beneficiaries. For example, if you name three principal beneficiaries and one dies before you, the share will be paid to the other two principal beneficiaries, not to any contingent beneficiaries. For information about alternatives to the automatic survivorship clause, please call our toll-free number below.
9. By law, if a designated principal beneficiary does not file a claim for payment within two years of the date of your death, then payment may be made to the beneficiary(ies) next entitled. If no claim for payment is received from any designated beneficiary within four years of the date of your death, your insurance will be paid in accordance with 38 U.S.C. 1917(f). If you do not designate a beneficiary, your insurance will be paid to your estate or to your heirs.
10. **MAILING INSTRUCTIONS** - Send the form promptly upon completion to the address below. A copy will be mailed to you as evidence of receipt by VA. The address is:

Complete VA Form 27-2008, and submit it to a funeral director or a representative of the veteran or other organization having charge of the funeral arrangements or acting in the interest of the veteran. You may get a flag at any VA regional office or U.S. Post Office. When burial is in a national, State or military post cemetery, a burial flag will be provided.

C. Who is eligible for a burial flag?

Generally, veterans with an other than dishonorable discharge.

Note: This includes veterans who served in the Philippine military forces while such forces were in the service of the U.S. armed forces under the President's Order of July 26, 1941 and died on or after April 25, 1951, and veterans who served in the Philippine military services are eligible for burial in a national cemetery.

Veterans who were entitled to retired pay for service in the reserves, or would have been entitled to such pay but not for being under 60 years of age.

Members or former members of the Selected Reserve (Army, Air Force, Coast Guard, Marine Corps, or Naval Reserve; Air National Guard; or Army National Guard) who served at least one enlistment or, in the case of an officer, the period of initial obligation, or were discharged for disability incurred or aggravated in line of duty, or died while a member of the Selected Reserve.

D. Who is not eligible for a burial flag?

Veterans who received a dishonorable discharge.

- Members of the Selected Reserve whose last discharge from service was under conditions less favorable than honorable.
- Peacetime veterans who were discharged before June 27, 1950 and did not serve at least one complete enlistment or incur or aggravate a disability in the line of duty.
- Veterans who were convicted of a Federal capital crime and sentenced to death or life imprisonment, or were convicted of a State capital crime and sentenced to death or life imprisonment without parole, or were found to have committed a Federal or State capital crime but were not convicted by reason of not being available for trial due to death or flight to avoid prosecution.
- Discharged or rejected draftees, or members of the National Guard, who reported to camp in answer to the President's call for World War I service but who, when medically examined, were not finally accepted for military service.
- Persons who were discharged from World War I service prior to November 12, 1918, on their own application or solicitation by reason of being an alien, or any veterans discharged for alienage during a period of hostilities.

D. Who is not eligible for a burial flag? (Continued)

- Persons who served with any of the forces allied with the United States in any war, even though United States citizens, if they did not serve with the United States armed forces.
- Persons inducted for training and service who, before entering such training and service were transferred to the Enlisted Reserve Corps and given a furlough.
- Former temporary members of the United States Coast Guard Reserve.

E. What documentation is required in order to receive a burial flag?

Provide a copy of the veteran's discharge documents that shows service dates and the character of service, such as DD Form 214, or verification of service from the veteran's service department or VA. Various information requested, is considered essential to the proper processing of the application. Ensure these areas are completed as fully as possible.

Note: If the claimant is unable to provide documentary proof, a flag may be issued when a statement is made by a person of established character and reputation that he/she personally knows the deceased to have been a veteran who meets the eligibility criteria.

F. Who is eligible to receive a burial flag?

Only one flag may be issued for each deceased veteran. Generally, the flag is given to the next-of-kin as a keepsake after its use during the funeral service. The flag is given to the following person(s) in the order of precedence listed:

- surviving spouse
- children, according to age
- parents, including adoptive, stepparents, and foster parents
- brothers or sisters, including brothers or sisters of half blood
- uncles or aunts
- nephews or nieces
- others, such as cousins or grandparents

Note: When there is no next-of-kin, VA will furnish the flag to a friend making a request for it. If there is no living relative or one cannot be located, and no friend requests the flag, it must be returned to the nearest VA facility.

Note: The flag cannot be replaced if it is lost, destroyed, or stolen. Additionally, a flag may not be issued after burial unless it was impossible to obtain a flag in time to drape the casket or accompany the urn before burial. If the next-of-kin or friend is requesting the flag after the veteran's burial, he or she must personally sign the application and explain in Item 15 "Remarks" the reason that prevented timely application for a burial flag.

USE OF THE FLAG

1. This flag is issued on behalf of the Department of Veterans Affairs to honor the memory of one who has served our country.
2. When used to drape the casket, the flag should be placed as follows:
 - (a) **Closed Casket** - When the flag is used to drape a closed casket, it should be so placed that the union (blue field) is at the head and over the left shoulder of the deceased.
 - (b) **Half Couch (Open)** - When the flag is used to drape a half-couch casket, it should be placed in three layers to cover the closed half of the casket in such a manner that the blue field will be the top fold, next to the open portion of the casket on the deceased's left.
 - (c) **Full Couch (Open)** - When the flag is used to drape a full-couch casket, it should be folded in a triangular shape and placed in the center part of the head panel of the casket cap, just above the left shoulder of the deceased.
3. During a military commitment ceremony, the flag which was used to drape the casket is held waist high over the grave by the pallbearers and, immediately after the sounding of "Taps," is folded in accordance with the illustration below.
4. Folding the flag (see illustration below):
5. The flag should not be lowered into the grave or allowed to touch the ground. When taken from the casket, it should be folded as shown (see illustration).
6. The flag should form a distinctive feature of the ceremony of the unveiling of a statue or monument, but it should never be used as a covering for the statue or monument.
7. The flag should never be fastened, displayed, used, or stowed in such a manner as will permit it to be easily torn, soiled, or damaged in any way.
8. The flag should never have placed upon it, nor any part of it, nor attached to it, any mark, insignia, letter, word, figure, design, picture, or drawing of any nature.
9. The flag should never be used as a receptacle for receiving, holding, carrying, or delivering anything.
10. The flag, when badly worn, torn, or soiled should no longer be publicly displayed, but privately destroyed by burning in such a manner as to convey no suggestion of disrespect or irreverence.

CORRECT METHOD OF FOLDING THE UNITED STATES FLAG

A)

(A) Straighten out the flag to full length and fold lengthwise once, folding the lower striped section of the flag over the blue field.

B)

(B) Fold the flag lengthwise a second time to meet the open edge, making sure that the union of stars on the blue field remains outward in full view.

C)

(C) A triangular fold is then started by bringing the striped corner of the folded edge to the open edge.

D)

(D) The outer point is then turned inward, parallel with the open edge to form a second triangle.

E)

(E) The diagonal or triangular folding is continued toward the blue union until the end is reached, with only the blue showing and the form being that of a cocked (three corner) hat.
