

WARRINGTON TOWNSHIP PUBLIC WORKS

3361 Pickertown Road, Chalfont Pennsylvania 18914

In an effort to provide the highest level of service to the residents of Warrington Township and being fiscally responsible at the same time, residents will no longer be able to take their yard waste to Warwick Grinders free of charge. Warrington Township is currently changing the location where township residents can take their yard waste when the township leaf site is closed. This new location is Britton Industries, 4108 Bethlehem Pike, Telford, Pa. 18696. Britton Industries is open Monday – Friday from 7:00 AM to 5:00 PM, and from 7:00 AM to 2:00 PM on Saturday, they are closed on Sundays.

Warrington Township's leaf site will remain open the first seven days of each month, otherwise yard waste consisting of leaves, branches and logs can be taken to Britton Industries free of charge. Upon arrival at Britton Industries you may have to provide proof of Warrington residency in order to dump free of charge. No plastic bags, trash of any kind, pressure treated or painted lumber, rocks, concrete, tires, metal, construction debris, or bamboo will be accepted at Britton Industries or Warrington's leaf site.

Thank you for your patience during this transition period.

Joseph A. Knox

Director of Public works
