Dear Resident,

Our department has been notified of an Open House type informational meeting in Horsham on October 7, 2014 between the hours of 5 to 8:30 PM to discuss the recent discovery of PERFLUORINATED COMPOUNDS in drinking water around the Willow Grove Naval Air Station. The location of the open house is Horsham Township Community Center, 1025 Horsham Rd. Horsham, PA 19044. The department would like to encourage your attendance.

In addition, we have been advised that free private well testing is being made available residents in and around the former air station. Please contact the below contacts to arrange for the testing.

Stephen Jarvela	215-814-3259
Larry Brown	215-814-5527
Lisa Cunningham	215-814-3363

I have enclosed some informational material regarding these compounds. More detailed information is also available on our website: www.warringtontownship.org.
