RE: Update on Water Situation

Public Water Connections

As of April 7, 2017:

- 22 Temporary Access and Construction Easement Agreements have been received by the Township from affected property owners
- 20 Cost Estimates for public water connections have been received by the Township from our Contractor
- 11 properties are in the process of/have been connected to public water
- The Township has authorized the connection of 2 additional properties

High Grove Interconnection Preconstruction Meeting

The High Grove Interconnection Preconstruction Meeting is scheduled for Thursday April 20, 2017 at 10:00AM in the Township building.

Air National Guard Cooperative Agreement Amendment

We have received communications from Dick McCoy of the Air National Guard (ANG) that the United States Pennsylvania Fiscal Officer has approved our most recently submitted version of the amendment in the amount of \$7.66 million covering costs through May 31, 2018. Once signed on our end, we will send the document to the ANG for their officials' signatures and final execution.

Items Funded:

1. GAC Filtration System for Wells #1, #2, and #6—Additional costs resulting from bid award for project.
2. GAC Filtration Systems for Wells #3 and #9—Construct access roads and buildings to house GAC filtration systems, yard piping, filter controls, and SCADA.
3. Purchase of additional water from North Wales Water Authority (NWWA).
4. Two Interconnections with NWWA to provide alternate water.

April 13, 2017

5. SCADA integration for existing NWWA Interconnect.
6. Upgrade Booster Stations.
7. Install Pressure Reducing Valves.
8. Legal, Consulting, and Administrative Fees

Recommendation:

After consultation with our legal counsel and professional staff, I recommend the execution of this amendment to the Cooperative Agreement with the ANG.

I will be sure to provide additional updates as there are updates to provide.

Thank you!
