Re: TMP Nos. 50-004-071, 50-004-071-001 and 50-004-071-002, Pickertown and Stump Roads, Warrington Township, Bucks County

Dear Roy:

As you are aware, this office represents the Applicants in connection with their pending conditional use application for the above-referenced property. My client would like additional time to consider the public comments he received at the last hearing, as well as comments he has received from some of his neighbors since the last hearing, and then make some plan revisions to address their comments. He would also like the opportunity to meet with Township staff to review possible plan revisions.

Therefore, this letter will confirm our request that the Conditional Use hearing be removed from the Board of Supervisors meeting agenda for this evening, and that the hearing be continued to the Board's meeting on March 10, 2020. Please announce this continuance at the meeting this evening so that no re-advertisement will be required.
