Re: TMP Nos. 50-004-071, 50-004-071-001 and 50-004-071-002, Pickertown and Stump Roads, Warrington Township, Bucks County

Dear Roy:

As you are aware, this office represents the Applicants in connection with their pending conditional use application for the above-referenced property. In light of our recent staff meeting and the feedback received, my client is continuing to work on the alternate 5-lot plan and relief list. Our intention is to submit the alternate plan to the Township for review and discussion in the next several weeks.

Therefore, this letter will confirm our request that the Conditional Use hearing be removed from the Board of Supervisors meeting agenda for April 14, 2020, and that the hearing be continued to a date within sixty (60) days of the Township's receipt of written notice from the Applicant that he wants to proceed with the pending 18-lot plan.

Please feel free to contact me should you have any questions or require additional information in order to process this continuance.
