COMMEMORATIVE GIFT DONATION FORM

Lions Pride Park – the new intergenerational, fully accessible park currently under construction at Folly and Bradley Roads – will be a tremendous resource to the residents and businesses of Warrington Township, providing unique opportunities to improve quality of life and community engagement for all. Please support the completion of the park through a donation today. Project partners have already donated and raised \$1.65 million of the \$2 million cost of the park. When you help us close this gap, you can also:

- Memorialize family, friends, and loved ones in a lasting way
- Advertise your business
- Support your community
- Give someone a holiday gift that all can see and a park we can all enjoy for years to come.

APPLICATION INSTRUCTIONS:

Recognition will take the form of lines engraved in stone on our donor recognition walls. Please use the grid below to indicate the wording on each line. (One form per donation please.) Print clearly and check the proper spelling of the name/wording. The 23 characters per line include spaces between words, symbols, and punctuation.

Gift of \$100 - \$499: One line of text, 23 characters per line

Gift of \$500 - \$5,000: Two lines of text, 23 characters per line

Naming opportunities exist for donations of \$500 and up – from hammocks to towers. Find out more at www.lionspridepark.org/donate.
